

## **PAYMENT OPTIONS AVAILABLE AT WITHDRAWAL (RESIGNATION /RETRENCHMENT/ DISMISSAL)**

### **INTRODUCTION**

When you resign from your current employer's service, it is important to remember that your goal to save for retirement does not end. This document aims to provide you with more information on the different options available to you at termination of service, before retirement. Most people do not save enough for retirement, and the biggest reason for this is because they take their fund savings in cash when they change/ leave employment. It is therefore important that you make informed decisions when you change/ leave employment.

### **RETIREMENT BENEFITS COUNSELLING**

Please remember, you also have telephonic access to a Retirement Benefits Counsellor to discuss the various options available on withdrawal, prior to making a decision. To speak to a counsellor, please contact the Fund's Administrator on 021 943 5300 / 087 330 2001 or e-mail your full names, contact number and ID number to [rbc@verso.co.za](mailto:rbc@verso.co.za) and a counsellor will contact you. Please do not hesitate to contact the Fund's Administrator at the contact details provided above, should you have any queries.

### **FINANCIAL ADVICE**

The Fund encourages members to constantly seek financial advice on all fund matters and particularly when benefits become payable.

When choosing a financial adviser, please keep the following in mind:

- The financial adviser must be compliant in terms of the Financial Advisory and Intermediary Services (FAIS) Act.
- Discuss the adviser's remuneration structure. Whether it is commission based or a flat fee, it must be disclosed in Rand value and in writing. You have the right to negotiate the fee, taking into consideration the service expected/received from the adviser.
- Read the Code of Ethics that your adviser adheres to – financial advisers have a "fiduciary" duty to look after your best interest as an individual.

If you do not have a financial planner, please contact the Fund's Administrator on 021 943 5300/087 330 2001 for assistance.
