

Dear Member

Following our previous communication on the impact of Savings Pot withdrawals, we have received questions from members regarding the tax implications of withdrawals and the options available when leaving employment before retirement.

Our latest Member Newsletter highlights these important considerations and also explains how your Fund contributions are allocated towards retirement savings.

Understanding these aspects can help you make informed decisions and protect your long-term financial security.

To read more, please click [here](#) to view the latest Member Newsletter.

The footer graphic has a dark red background. On the left, there is a yellow honeycomb pattern. On the right, there is a red flower with a bee on it. The text is centered and includes the following information:
